The United Nations-sanctioned military intervention in Libya is only a few days old, but already its execution is looking cack-handed.

The Libyan intervention: a question of leadership ...
Europe's interests in Libya are manifold. Therefore, an intervention in the country has little to do with the aspiration to bring democracy to North Africa, and more to do with material benefits. Europe is motivated by the hope to maximize its gains, reduce its losses and preserve its strategic interests in North Africa.

Libya Intervention Essay
Five years on from the NATO-led intervention that helped to overthrow Muammar Gaddafi, pressure is growing for a new foreign military intervention in Libya. This time the objective is to destroy the incipient Libyan branch of the Islamic State (IS), which has established dominion over a large, and largely empty, swathe of Libya's central coast since early 2015.
