A quality babysitter is an important find for every parent. It’s rare you can be with your children 100 percent of the time, and babysitters offer the exact kind of flexible care that many parents need. But finding the right babysitter can feel like a long, tedious process if you don’t know what you’re looking for.

**A Guide for First-Time Parents (for Parents) - Nemours ...**
Remind yourself that you're a first-time parent with little prior experience in most things baby, from changing diapers (especially for a newborn boy who loves to make a splash) to burping (your baby, not you), so you can't be expected to be in the baby-care-know right off the bat. And even if you do mess up a little in the first few weeks, relax — first of all, blunders are a rite of parenting passage, and second of all, chances are your baby will be very forgiving.
