The Conquest of America (Documentary)
KIRKUS REVIEW. Todorov's theory is that Europeans were simply better at absorbing the existence of a radically different ""other""--a people in every way unlike themselves--and turning their knowledge of it to the bloody work of domination and exploitation. In support of this notion (a lot subtler than it seems at first), he comes up with ingenious,...

The Conquest Of America Todorov
The Conquest of America: The Question of the Other is a book by Tzvetan Todorov first published in 1982, detailing Spanish colonials' contact with natives upon the "discovery" of the Americas. Todorov analyzes texts and arguments from Spanish figures such as Pedro de Valdivia and Francisco de Vitoria. Todorov argues that the latter "demolishes the contemporary justifications of the wars waged in America, but nonetheless conceives th
