### Ancient Egypt: the Mythology - the Myths

A flood myth or deluge myth is a myth in which a great flood, usually sent by a deity or deities, destroys civilization, often in an act of divine retribution. Parallels are often drawn between the flood waters of these myths and the primaevial waters which appear in certain creation myths, as the flood waters are described as a measure for the cleansing of humanity, in preparation for rebirth.

### 10 things you need to know about Pasifika peoples in ...

What the ancient Greeks—at least in the archaic phase of their civilization—called muthos was quite different from what we and the media nowadays call “myth”. For them a muthos was a true story, a story that unveils the true origin of the world and human beings. For us a myth is something to be “debunked”: a widespread, popular belief that is in fact false.
