A professional who earns a bookkeeper certification is expected to possess the knowledge and skills necessary to perform the essential accounting functions that a small business requires. That can include knowing how to prepare end-of-period adjustments, conduct monthly bank reconciliations, process payroll, and record depreciation for both book and tax purposes.

Family Fortunes Quiz Questions And Answers

Some bookkeepers charge out their bookkeeping service at a basic hourly fee with a set minimum charge. Hourly billing is no longer the recommended billing method in the bookkeeping industry as it provides price instability for the client/customer and does not provide the client/customer control of what they are purchasing. It doesn't encourage developing a relationship.
