for reduced prices. Rework is units that are repaired. Scrap is material left over.

ch 18 Spoilage and Scrap - Spoilage Rework and Scrap ...

Spoilage accounting entries may require adjustments. For example, you

Where To Download 18 Spoilage Rework And Scrap

may have already moved the bracket cost (material) into work in process. When you inspect and find the abnormal spoilage, you may need to remove the cost from work in process and move the costs into a loss account. That entry is an adjustment.
