In addition to the North American market itself, Buick is represented in the Chinese market (most of the models sold there are not connected with the Buicks of the American market).

Buick repair manual free download | Carmanualshub.com

The reputation of Buick cars is one that has been formed over the course of many years. Although many of the early American cars were very much in the category of "dirt-track brawler", being the kind of vehicle that could hold its own in a fight but not built for luxury, General Motors spotted a gap in the market for something that could boast a little bit more quality, and the Buick brand ...
