Because this site is dedicated to free books, there's none of the hassle you get with filtering out paid-for content on Amazon or Google Play Books. We also love the fact that all the site's genres are presented on the homepage, so you don't have to waste time trawling through menus. Unlike the bigger stores, Free-Ebooks.net also lets you sort results by publication date, popularity, or rating, helping you avoid the weaker titles that will inevitably find their way onto open publishing platforms (though a book has to be not quite poor to receive less than four stars).

Nissan Sentra Factory Service Manuals - NICOclub

The factory service manuals (I have mine for the 2006 year Altima which is well over 2500 pages) are a joke. I hope the Nissan technicians don't have to work from them. They have their own separate on line manuals which I hope are a lot more detailed than the factory service manuals that Nissan sells to the public.
