The service manual does not list routine service intervals for the basic XWD for my 2009 2.0T 9-3. Question is should a routine service with oil and filter change be made on the XWD and at what mileage? I was thinking about adding a XWD service to my Main service at 60,000, which will double the cost. Any suggestions? Is the oil in the XWD really lifetime and what does that mean?
