California Science: Harcourt Science, Grade 2. This will actually be my second time teaching from the California Science 2nd grade textbook – my older boys used this curriculum in 2014-15, and they really enjoyed using it. In fact, both of those older boys said that science was their favorite subject that year, so I'm hoping their younger ...

harcourt 2nd grade science Flashcards and Study Sets | Quizlet
Second Grade Science continues the basic introduction to the life, earth, and physical sciences. The most important part of teaching science in the early years is helping the student see the wonders of God's world, and making him unafraid of the subject when he pursues science in more depth later. Children learn more from doing the experiments and investigations alongside the reading of the textbook. The Harcourt Science series has the availability of several online learning tools to ...
