can also be used as a substitute. These charts are used for trend identification. True market reversals are predicted from the true trend.

Lesson Title: To Vote or Not to Vote

Overall, the 1-2-3 is an incredibly awesome pattern that follows the simplest market analysis there is: where are our highs, and where are our lows, and in which relation to each other did they appear on our charts? The 1-2-3 provides us with clear entries, clear stoplosses and clear targets through extensions. What more could we ask for?
