mopar help again...360 heads on a 318 | The H.A.M.B.

This is probably a stupid question, but would a 318 poly engine head fit on a 318 LA engine, and if so would it be worth it, i dont know really that much about the LA engine heads but i always hear about how the hemi or poly-spherical heads are very efficient, but was it just for that time, or were they still really good, just more expensive to produce or what.

SKYLINK HA-318T USER MANUAL Pdf Download.

Have the 360 heads shaved .020 or get new pistons is the best solution because the cost of the work on the 318 heads will be a couple hundred dollars and the porting time, if you do the porting yourself. Another solution is to hit the junkyards. I had several sets of 318 heads that were closed chamber that I have had in 73-74 Plymouth engines.
