My wife and I will be soon buying a Reflection 31MB. This will be a cash sale. We are paying for it upfront without financing. I was wondering what the average price paid for this unit was. I saw someone here post that they paid \$41k for their 2020 Reflection 31MB which I think is a great deal. I am hoping to get a 2020 31MB for around \$45k or less.
