List of Isuzu engines - The Full Wiki

Anybody got any information on this engine? From what I gathered it looks like the roughly 3L four cylinder turbo diesel used in the mid '90's Isuzu Trooper (non-US). There is not much info out there on them. I 'm wondering if anyone has any idea about how much power they make, if it is a good reliable engine, and what sort of mileage was achievable while in the trooper.
