Download Ebook Creo Parametric 1 0 For Designers Software to work for you. Creo Parametric 3D Modeling Software | PTC Creo Parametric 1.0. Creo Parametric is the standard in 3D CAD, featuring state-of-the-art tools . 3.8 (31 votes) 1.0 PTC. Review Comments (2) Questions & Answers Update program info.

PTC Creo Parametric - Primer - Mercer University
The technical reason is that PTC, formerly the Parametric Technology Corp, doesn't default to creating parametric representations of imported geometry and so they don't really qualify as model tree items. The elements of the import are all accessible via the Import Doctor if any of them need to be deleted or modified as non-parametric items.
