1999 Ford Taurus Problems and Complaints - 5 Issues

I have a 99 Ford Taurus 4 door. When I turned on the heat all I got was cold air. Changed the plugs and wires. That did not solve the problem. Tried changing the thermostat and that did not solve the problem. So I brought it to a new mechanic. He checked under the hood and felt some hoses. He told me it was the water pump. So he replaced it.
