Buddhist Approac - Weebly

The main aim of Buddhism is to examine how human mind becomes a root cause of suffering and how it can be addressed. This paper explores how this analysis of the human mind develops inner peace. The analysis proposes inner peace as a non-dualistic

A Buddhist approach to peace (Book, 1977) [WorldCat.org]

Therefore, there are two elements that are important for peace of mind. The first is awareness of reality. If we approach things realistically, there will be no unexpected consequences. The second is compassion, which opens our so-called "inner door." Fear and suspicion cuts us off from others.
