Drawing a dragon is a great way to show your creativity, but it may be challenging to draw the head because it has a lot of detail. Luckily, you can start sketching the head with basic shapes before adding in the features. Fantasy dragons usually have pointier snouts and are the most common types in Western culture, while Chinese dragons have boxier heads.

Chinese dragon - Wikipedia
European dragons are legendary creatures in folklore and mythology among the overlapping cultures of Europe.. The Roman poet Virgil in his poem Culex lines 163-201, describing a shepherd having a fight with a big constricting snake, calls it "serpens" and also "draco", showing that in his time the two words were probably interchangeable.. In and after the early Middle Ages, the European dragon ...
