A First Course in Complex Analysis: Matthias Beck, Et Al ...

My first course in complex analysis was nearly half a century ago, and this book is a great review if the subject. It is well written, lucid, to the point and even fun. Those seeking an introduction to Complex Analysis could certainly do worse, but it is not clear how they could do better.

A First Course in Complex Analysis was developed from lecture notes for a one-semester undergraduate course taught by the authors. For many students, complex analysis is the first rigorous analysis (if not mathematics) class they take, and these notes reflect this. The authors try to rely on as few concepts from real analysis as possible.

Complex Analysis - mariosuazo

A First Course in Complex Analysis was written for a one-semester undergraduate course developed at Binghamton University (SUNY) and San Francisco State University, and has been adopted at several other institutions. For many of our students, Complex Analysis is their first rigorous analysis (if not mathematics) class they take, and this book reflect this very
