*A History of the Postcard -
Postcard Inspirations*
This is where the history of
postcards comes to a close
because this is the style of
postcard we use today. In
modern Britain, royalty
fuels the postcard trade.
They sell everything from
souvenirs of the royal
wedding to pictures of the
queen's face. These tend to
be purchased by American
tourists.

pages is broken into seven periods; each representing a time influenced by a very particular set of surrounding circumstances that enabled it to produce its own distinguishable type of cards. The Golden Age of Postcards as defined here actually spans two sections dating from 1898 to 1913. This portion of the website mainly focuses on postcards and their surrounding influences within the United States.

A History of Postcards:

Martin Willoughby:

9781858911625 ...

The first American postcard was developed in 1873 by the Morgan Envelope Factory of Springfield, Massachusetts. Later in 1873, Post Master John Creswell introduced the first pre-stamped "Postal Cards", often called "penny postcards". Postcards were made because people were looking for an easier way to send quick notes.
