A brief history of Western culture. Historians divide history into large and small units in order to make characteristics and changes clear to themselves and to students. It's important to remember that any historical period is a construction and a simplification. Below are some important basics to get you started.

A brief history of Western culture (article) | Khan Academy

The Western United States (also called the American West, the Far West, and the West) is the region comprising the westernmost states of the United States. As European settlement in the U.S. expanded westward through the centuries, the meaning of the term the West changed. Before about 1800, the crest of the Appalachian Mountains was seen as the western frontier.
