Kitchen Witch - Book Series In Order

Witch's Kitchen takes some getting into - the reader is thrust into the middle of a chaotic scene, and then has to figure things out from there. Because it took time to figure out what's going on, I didn't become even remotely invested in the characters until halfway through. Once the book got its groove, however, it was really quite good.

A Kitchen Witch's Cookbook by Patricia Telesco, Trish ...

The Kitchen Witch's Cookbook is a fabulous reference when you want to make something extra special that has a bit more meaning than just food. The recipe sections are a bit too cutely titled for me ("Visionary Vegetables"), but my preference does not change the fact that the recipes are both exotic and homey, and full of magic.
