*His once stereotypically normal life, filled with baseball and swimming pools and dreams of girls, had been irreversibly altered. He was almost the same person he had been; he was nearly normal. Mee's moving personal narrative is a textured portrait of life in the fifties -- a time when America and her fighting spirit collided with this disease.*

*M.T. Edvardsson's A Nearly Normal Family is a gripping legal thriller that forces the reader to consider: How far would you go to protect the ones you love? In this twisted narrative of love and murder, a horrific crime makes a seemingly normal family question everything they thought they knew about their life—and one another.*

*Book Review: Ragged Edge  
September/October 1999*

*Mee's memoir, A Nearly Normal Life, is an evocative and inspirational reminder that each of us has, at best, a tenuous hold on life, that our circumstances can take a drastic turn at any time, and that such detours are not necessarily the worst thing that can happen to us.*

*A NEARLY NORMAL LIFE by Charles L. Mee | Kirkus Reviews*

*A Nearly Normal Life would be interesting if only for the slice of 1950s history it saves from obscurity, even without the few pages of epilogue with which Mee, looking back at the age of sixty, chooses to end the book. On first reading, this epilogue -- about his adult life with its professional accomplishments, drug and alcohol use and failed marriages, and with only sparse details of his awareness of post-polio syndrome -- seems disjointed from his beginnings.*
