9781859730768 - A Phenomenology of Landscape: Places ...

The Phenomenology of Landscapes. In other words we need to think about places and landscapes animistically, in an analogous manner to the way in which we like to think about persons, as entities who can and do make a difference. The move is from considering things as representing the world to us to things as producing that world for us.

A Phenomenology of Landscape: Places, Paths and Monuments ...

Phenomenology (archaeology) In contrast to this, it has also been supported by a great number of archaeologists and nowadays is often used in fieldwork alongside other, more traditional methods. It has been used particularly in understanding prehistoric sites, such as the Neolithic Tavoliere Plain in Italy, and the Bronze Age landscape on Bodmin Moor, England.
