Solitude: A Philosophical Encounter: Koch, Philip ...

In what many consider his most comprehensive work on the subject of solitude, "Notes for a Philosophy of Solitude" by Thomas Merton attempts to put forth and defend the concept of monastic living in terms that may be understood by the common person.

a philosophy of solitude | Tumblr

Solitude is a state of seclusion or isolation, i.e., lack of contact with people. It can have both positive and negative effects, depending on the situation. Short-term solitude is often valued as a time when one may work, think or rest without being disturbed.

A Philosophy Of Solitude

As I read A Philosophy of Solitude (just as a side note- the word 'philosophy' should be understood in the sense of 'my philosophy of x') I was constantly trying to decide whether it was a forgotten existentialist Enchiridion or an overblown 30's self-help book.

101: Notes for a Philosophy of Solitude - Censors Reports

Throughout the history of philosophy there has been a tension between the valuable introspection afforded by solitude and the intrinsic need to understand ourselves in relation to others. In the phenomenological tradition of Edmund Husserl and Martin Heidegger we find a vivid picture of man as a being meditatively alone but fundamentally social.

A Philosophy Of Solitude : John Cowper Powys : Free ...

Summary Solitude may be a very positive and constructive experience, whenever it is a desirable choice of the way of life or otherwise it may be a distressing experience, inducing negative ...

The Psychology of Solitude

Less a view from afar or broad exposure of solitude from the human condition, this book more aptly excerpts the author's personal conflicts with human relationships.....a one-on-one wrestling match with the Self with no spectators and no judges. The book is a good read for academic analysis, but not so fun for venturist philosophy.

Melvyn Bragg and his guests discuss the philosophy of solitude. The state of being alone can arise for many different reasons: imprisonment, exile or personal choice.

Nietzsche on Solitude - Articles - House of Solitude ...

A Philosophy of Solitude. New York: Simon and Schuster. It is a profound psychological truth that the words of a moral optimist are futile mockery to a neurotic pessimist. It is like telling a person who feels despair that if he makes the grimaces of happiness that he will be happy (Powys 1933: 2)

A philosophy of solitude. (Book, 1933) [WorldCat.org]

Solitude is the path that men most fear. A path fraught with terrors, where snakes and toads lie in wait... Without solitude there is no suffering, without solitude there is no heroism. But the solitude I have in mind is not the solitude of the blithe poets or of the theater, where the fountain bubbles so sweetly at the mouth of the hermit's ...

(PDF) The philosophy of solitude - ResearchGate

A Philosophy Of Solitude Solitude, for Powys, is the only way in which we can maintain our dignity in a world out of balance. It is only through withdrawal from society and its follies, its grim demand to keep on smiling in spite of the constant horrors of modern

A Philosophy Of Solitude - time.simplify.com.my

Nietzsche on solitude. Friedrich Nietzsche on Solitude. F riedrich Nietzsche (1844-1900) was one of the most forceful philosophical writers of modern times, influencing many philosophers as well as figures in the creative arts, literature, and politics. He virtually originated concepts like nihilism, the will to power, and eternal recurrence.

Solitude - Wikipedia

Yet as we learn to flourish in solitude we must not dismiss the dangers of it which Nietzsche spoke of, dangers which led Goethe to write: "there is nothing more dangerous than solitude." (Goethe, The Sorrows of Young Werther) We can increase our capacity to deal with these dangers, however, if we consider the possibility that the benefits of solitude are embedded in its dangers, meaning ...
