A Profile of Mathematical Logic by Howard DeLong - Books ...

Dual Review: Howard DeLong, A Profile of Mathematical Logic, Dover 1970/2004 Mary Tiles, The Philosophy of Set Theory, Dover 1989/2004 Dover, that much-beloved re-publisher of books from out of the past in downright cheap editions, has just reissued two books on logic and set theory which have a lot to recommend them even as their objectives are rather different.

A Profile of Mathematical Logic : Howard DeLong ...

A treat for both the intellect and the imagination, it profiles the development of logic from ancient to modern times and compellingly examines the nature of logic and its philosophical implications. No prior knowledge of logic is necessary; readers need only an acquaintance with high school mathematics.
