Up for a private island on the Northeastern coast of the US? Ducks Ledges Island. Billy Milliken, the island's owner and real-estate agent in charge of the sale with Bold Coast Properties, told Insider that the island offers a lot to a new caretaker. Even though it feels remote when you're on the island, it's a 10-minute boat ride from Jonesport, Maine.

A rustic private island in Maine is on the market, but the owner will ...

Searing prevented the stump from regenerating. When all 8 mortal necks were headless and cauterized, Hercules sliced off the immortal head and buried it underground for safety, with a stone on top to hold it down. (An aside: Typhon, the Nemean Lion's father, was a perilous underground force, too. Hercules was often pitted
