Imagine a classically-based history course where your child reads great history books and period-related literature, keeps a running timeline of the period studied, writes outlines and summaries of important people and events, completes history-related map work, and does all of this without extensive planning on mom's part. Although it may sound too good to be true, luckily for you it's not!

A Shakespeare Coloring Book - Lord Alford

The designs are appropriate for the time without modern anachronisms. Because of the size of the book, many of the design elements will take a well sharpened pencil or a small nib pen in order to stay within the lines. I studied Shakespeare quite extensively in school and I am very pleased to have this coloring book based on his works.
