OpenLibrary is a not for profit and an open source website that allows to get access to obsolete books from the internet archive and even get information on nearly any book that has been written. It is sort of a Wikipedia that will at least provide you with references related to the book you are looking for like, where you can get the book online or offline, even if it doesn't store itself. Therefore, if you know a book that's not listed you can simply add the information on the site.

A Slow Train To Budapest

The story is moving and it is truthful - not sentimental.A Slow Train to Budapest is important and it is a unique, indispensable contribution to the rather amazing body of Jewish American literature of the last century, including such masters as Henry Roth, Malamud etc.

Amazon.com: Customer reviews: A Slow Train To Budapest

the train. What a slow train ride it turned out to be. The train stopped at some stations and we saw train mechanics fixing the train (in layman terms, it looks as if they are changing the train tyres). After that, the train moved with weird noises, puffing and rattling its bones, like an old man.
