Amazon.com: Customer reviews: A Song Of Stone

A Song of Stone is one of the last novels that I had left to read from the library of Iain Banks. It was first published in 1997 but has a old or rather timeless feel to it. I thought it published earlier due to its almost complete lack of technology other than vehicles, guns and radios.

A Song of Stone is the latest of Iain Banks' mainstream novels, but like a number of his other non-genre works, there is much here of interest for the SF fan.
