The swords of the colonial and Revolutionary War period were, with few exceptions, European in manufacture. Later, certain firms began to make swords on US government contracts. Most of these swords were designed along European lines. 4. There are a few distinctive characteristics of early American swords.

Martial Arts Swords For Sale - Real Japanese Swords ...

We have never been afraid to break with convention. That's why, when everyone else in our industry made the smallest, flimsiest, dainty little knives that they could, we released a series of blades that could only be described as one thing - pocket swords! The Cold Steel Espada was inspired by the classical Navaja knives of Spain, but was utterly modern in both appearance and materials.
