Arnold J. Toynbee -

Wikipedia

OLD FRIENDS It was forty years ago, in 1964, that I bought ten of the thirteen volumes of Toynbee's A Study of History. Every once in a while I get some time to dip into these volumes, or some commentary on them. Although reading Toynbee is a solid intellectual exercise, not unlike Edward Gibbon who served as his model, he comes closest to providing some perspective on history that seems to ...

A Study of History - Wikipedia

When one talks of the
writing of history or The
Philosophy of History no one
is more influential and
important than Arnold
Toynbee. His six volumes on
A STUDY OF HISTORY became a
standard for scholars and
graduate students. Although
most authors do not like
others to change their work,

of ...

I first read "A Study of
History" in the 1970s and
found it fascinating and
insightful. Rather than
looking at one nation or
area or time span, Arnold
Toynbee compared what he
called "civilizations" to
see if he could find common
denominators in their
development or their
structure. A 2017 re-read,
though, revealed some
issues.
