A World of Difference (novel) -  
Wikipedia

The fact that we are living in a world of differences is, basically, well-known. But who establish this differences? I think that the only authority is the one who ask the question, and "makes the difference". Our identity is a construction of who we think we are and of our image in the others eyes.

A World of Difference is split into three simple parts. Part one; Developing a Worldview Perspective, focuses on the nature of reality, truth, and logic concluding with a chapter on false ways of thinking and how to avoid them. These four short chapters are accentual and lay the foundation for the heart of the book.
