### Airbus A319/320/321 Notes - Airbusdriver.net

What is fitted to the a/c that had the engine change? Is that a complete powerplant? Or are we on a merry go round with QEC kits or engine MROs? Just curious because in my (admittedly, limited) experience, when one changes an engine it's just a case of a quick swap of components from the u/s engine to the new servicable ...
