Double-entry bookkeeping system - Wikipedia

At various times, accountants copy (post) journal entries to a ledger—another record book. While the journal lists entries chronologically, the "ledger" organizes entries by account, as Exhibit 9, below, shows.. Near the end of each accounting period, accountants create a trial balance from the system's accounts, as part of an end-of-period check for accuracy.

What are Bookkeeping Journals and Entries

In accounting and bookkeeping, a journal is a record of financial transactions in order by date. Traditionally, a journal has been defined as the book of original entry. The definition was more appropriate when transactions were written in a journal prior to manually posting them to the accounts in the general ledger or subsidiary ledger.
