### ACR BI-RADS Atlas 5 Edition Changes

The American College of Radiology (ACR) Breast Imaging Reporting and Data System Atlas (BI-RADS® Atlas) is the product of a collaborative effort among members of various committees of the American College of Radiology.. BI-RADS® suggests a standardized method for breast imaging reporting. This system is not meant to dictate individual case management decisions.

### ACR BI-RADS® Atlas Fifth Edition.pdf - Free Download

The Breast Imaging Reporting and Data System® (BI-RADS®) initiative, instituted by the ACR, was begun in the late 1980s to address a lack of standardization and uniformity in mammography practice reporting. An important component of the BI-RADS initiative is the lexicon, a dictionary of descriptors of specific imaging features.
