## Across The Disciplines Academic Writing

Writing across the curriculum (WAC) is a movement within contemporary composition studies that concerns itself with writing in classes outside of composition, literature, and other English courses. According to a comprehensive survey performed in 2006 – 2007, approximately half of American institutes of higher learning have something that can be identified as a WAC program.

## Writing across the curriculum - Wikipedia

In addition to these common features, each academic discipline, over many generations, has developed its own specific methods of asking questions and sharing answers. This chapter will show you how to use the lenses of various academic disciplines to develop your writing, reading, and thinking.

Writing assignments are often used to support the goals of Writing in the Disciplines (WID), also called writing to communicate.

Writing assignments of this sort are designed to introduce or give students practice with the writing conventions of a discipline and to help them gain familiarity and fluency with specific genres and formats typical of a given discipline.
