It was difficult for me to use it as a study guide due to pen marks. However this is extremely similar to the real ACS exam. If you need to review Organic 1 as well as the material from Organic 2 this is the best study guide. Stay away from purchasing a used study guide to avoid what happened to me.

The questions on the exam are very similar to the questions in this study guide. If you understand the concepts behind each question, you will be fine. Edit: I scored in the 100th percentile on the exam and definitely attribute my success to this study guide. I don't understand anyone who says it's unclear or misleading about what you need to know.
