NIGP Codes: Public Higher Education Bulletin

Child care centers are required to be licensed in California. Infants, toddlers, preschool, or school-age children may all receive care at a child care center. Centers are usually located in schools, religious facilities, public buildings, or private buildings. A center may be a part of a large child care corporation or it may be locally owned.

Media, Kids, and Violence | National Center for Health ...

Reciprocal and responsive relationships contribute to infants and toddlers developing a sense of security and competence. Assessment, both undocumented and documented, takes place within reciprocal and responsive relationships. In the context of such relationships, teachers can contribute to constructing meaning with and between infants or ...
