Photoshop system requirements - Adobe Inc.

Hip hop production is the creation of hip hop music in a recording studio. While the term encompasses all aspects of hip hop music creation, including recording the rapping of an MC, a turntablist or DJ providing a beat, playing samples and "scratching" using record players and the creation of a rhythmic backing track, using a drum machine or sequencer, it is most commonly used to refer to ...

Chicano or Chicana is a chosen identity for many Mexican Americans in the United States. The label Chicano is sometimes used interchangeably with Mexican American, although the terms have different meanings. While Mexican-American identity emerged to encourage assimilation into White American society and separate the community from African-American political struggle, Chicano identity emerged ...
