In *Africa and France: Postcolonial Cultures, Migration, and Racism*, Dominic Thomas discusses several aspects of postcolonial contexts with France in mind as well as cultures, migration and racism. It is tempting to be cynical when contemplating the question of France's cultural, economic, and political position in the twenty-first century vis-à-vis other European nations and the Western world in general.

French Influence in Africa (Post-Colonial Period) | Beyond ...

Postcolonialism is the academic study of the cultural legacy of colonialism and imperialism, focusing on the human consequences of the control and exploitation of colonized people and their lands. Postcolonialism is a critical theory analysis of the history, culture, literature, and discourse of European imperial power. The name postcolonialism is modeled on postmodernism, with which it shares

Postcolonialism - Wikipedia

The French colonial empire constituted the overseas colonies, protectorates and mandate territories that came under French rule from the 16th century onward. A distinction is generally made between the "first colonial empire," that existed until 1814, by which time most of it had been lost, and the "second colonial empire", which began with the conquest of Algiers in 1830.
