International research on migration regimes suggests that this development might not be restricted to Germany but rather be part of a general trend towards market-oriented migration management. Thus, the juridical division of labour in Germany approximates the regimes of liberal market economies like the UK or Switzerland.

"Migration in the Asia-Pacific Region" in *The Age of Migration*, fourth edition. A more detailed version can be found in the book. The *Age of Migration* website contains more material, including a virtual symposium on the global financial crisis and migration.

Demographics of Finland - Wikipedia
Old age refers to ages nearing or surpassing the life expectancy of human beings, and is thus the end of the human life cycle. Terms and euphemisms include old people, the elderly (worldwide usage), OAPs (British usage which stands for Old Age Pensioner), seniors (American usage), senior citizens (American usage), older adults (in the social sciences), and the elders (in many cultures ...

Hein de Haas has joined Stephen Castles and Mark J. Miller as an author.

Article: Migration in the Asia-Pacific Region ...

Internal migration. However significant the long-term effects of external migration on Finnish society may have been, migration within the country had a greater impact—especially the migration which took place between the end of World War II and the mid-1970s, when half the population moved from one part of the country to another.
