Whether you're teaching a group of equestrians, a 4-H club, or an agricultural science class, you'll need to cover basic horse terminology. Horse care, breeds, anatomy, and markings are defined and exemplified through full color...

Grades 10 12 - Pearson Africa
Goals / Objectives For most of the last century the primary focus of secondary agricultural education was entry-level job preparation for agriculture workers, primarily farmers. In the mid 1980s a shift away from a singular focus on vocational preparation and toward a more balanced science-based approach to agricultural education began to take hold nationally.
