+ Airguide - Analog Weather

AirGuide Manufacturing has built over 50 years of trust. Started out as the top pick for construction and retrofit projects in coastal states throughout the U.S., AirGuide manufactures the most reliable, energyefficient and sustainable all-aluminum grilles, registers, and diffusers in the business, serving the worldwide market.

History of the Airguide Instrument Co.

Instructions, Applications, and Catalogs Since Airguide Instrument Company has gone out of business, finding information on the applications of Airguide tachometers has become very difficult. In most Airguide applications the tachometer is teamed with a transmitter. The proper functioning of your tachometer depends on the correct transmitter/gauge combination for your application.
