It's easy to search Wikibooks by topic, and there are separate sections for recipes and childrens' textbooks. You can download a page as a PDF using a link provided in the left-hand menu, but unfortunately there's no support for other formats. There's also Collection Creator – a handy tool that lets you collate several pages, organize them, and export them together (again, in PDF format). It's a nice feature that enables you to customize your reading material, but it's a bit of a hassle, and is really designed for readers who want printouts. The easiest way to read Wikibooks is simply to open them in your web browser.

Works - Alexander Brenner Architects - Villas and Houses  
Alexander Brenner: Houses ISBN 9783766718884. The Alexander  
Brenner studio has been consistently working on villa-style  
constructions for more than two decades. Brenner's villas can be  
interpreted and experienced as three dimensional works of art,  
sculptures for living in, structured throughout down to the smallest  
details.
