In my view, knowing your value and self-worth are inextricably linked. Self-worth is defined as “the sense of one’s own value or worth as a person.” I think that is one part of it, but the other aspect is being able to understand how much of a difference you have made in any given situation with the contribution you have made.

### **The 50/30/20 Budgeting Rule—How It Works**

Your net worth is essentially a grand total of all your assets minus your liabilities. In other words, your net worth is the figure you get when you add up everything you own from the value of your home to the cash in your bank account and then subtract from
