I was wondering if anyone might have the link to the online mercruiser service manual? Specifically, I am looking for an exploded view of the gimbal assembly area on my alpha one stern drive. It seems my hinge pin on the starboard side is not turning when you trim the unit, so therefore my trim position sensor is not working.

Alpha outdrive not going down Thanks to all for the tips. This was my first crack at using a website chat for help. The trim down solenoid clicks but no pump run. Bypassed and put 12 volts on the green connect to the motor. Worked good. Looks like I need a new solenoid. The trim up(out) doesn't even click the solenoid. Could be another issue ...
