This book about the managing legend Harry Redknapp, is one of the best that I have ever read. The book not only talks about his managing career, but also his personal life and playing career. This book shows that he is an amazing man, and someone really to look up too. Even if your not the biggest fan of him, I would recommend this book to anyone.

As noted by previous reviewers, this isn't your typical football autobiography. Harry has lots of fantastic stories to tell and even if a particular part of his career doesn't grab you (unlikely, as the style of writing throughout Always Managing is very compelling and frequently peppered with his trademark good humour), the narrative progresses quickly with little dwelling on past glories or formative years, setting the book apart from many sports biographies.

Amazon.com: Always Managing: My Autobiography ...

Harry the legend! I really enjoyed Harry's autobiography. Being a spurs fan, I already thought he was a legend. Hearing stories in the media and from people's comments, anyone would get the impression he was a dodgy sod but reading this book has all but confirmed to me what a genuine, down to earth guy he is.
