Amadeus Fares And Ticketing Manual

A fare basis code (often just referred to as a fare basis) is an alphabetic or alpha-numeric code used by airlines to identify a fare type and allow airline staff and travel agents to find the rules applicable to that fare. Although airlines now set their own fare basis codes, there are some patterns that have evolved over the years and may still be in use.

Fare basis code - Wikipedia

For child passengers between the ages of 2 and 11, use passenger type code CHD.. For infant passengers, up to 2 years of age, use passenger type code INF.. Note: The date of birth of a child or infant passenger must be included in the name element. To create the child name element, enter, for example:
