American Civil Procedure. From divorce proceedings to personal injury disputes to lawsuits over busing, affirmative action, and labor relations, most conflicts in American society may eventually find their way into a courtroom. Such civil conflicts, which do not involve violations of the criminal code, encompass both actions between private parties and public controversies.

### American Civil Procedure | Yale University Press

American Civil Procedure. The American system is a "common law" system, which relies heavily on court precedent in formal adjudications. In our common law system, even when a statute is at issue, judicial determinations in earlier court cases are extremely critical to the court's resolution of the matter before it.
